Subject: Did I say Thank You?

August 8, 2011

Bartelt Aviation
Mr. John Bartelt

John,

Thank you for selling my Baron last week! The time and marketing efforts you put forth, combined with your attention to detail is truly phenomenal. Your open and honest approach to the buyer and the seller set the stage for a smooth and fair transaction. You kept my involvement to a minimum and in this business climate that was perfect for me.

Thanks again,

Wade Wolf
